Neighbors of Aged Negro Try to
Get Rid of Him.

Neighbors of George W. Tabb, an aged negro, are making stremous efforts to get him either behind the bars or out of the market. Wednesday morning a young negro was fined \$10 for striking Tabb. Several witnesses said that Tabb was a nuisance, and veloof threats were made that he would be brought before the court on some charge.

Yesterday morning Tabb was in court again. A. H. Flournoy charged Carl Schmidt with harboring a nuisance, because Tabb was on Schmidt's premises. The case was a new one for Justice Crutchfield, and he did not fall to tell Flournoy that he would not be bothered with such trilling matters. Tabb was told to go and live as peaceably as he could.

Taken To North Carolina.

John Shead, the negro arrested here at the Instance of the authorities in North Carolina, was taken back to that State yesterday by Sheriff Powell. The negro is alleged to have embezzled funds of a church of which he was treasurer.

Wednesday morning Giles appeared in the Police Court chamber, where Pete Lacy, the negro cocaine vendor, was to be tried, and finding Elijah i Gray and Wille Lincoln, negro witnesses against Lacy, induced them to leave the courtroom. He confessed that he told Gray that his mother had been taken seriously ill in the street. What he told Lincoln he refused to say

WORK of White Men.

In the disappearance of the two witsnesses whose testimony probably
would have convicted Lacy, the alleged agent of the gang which deals
in the ruinous drug, the police see

believed to furnish the money to the negroes.

For months it has been known by the officers that cocalne was being shipped or brought into Richmond in large quantities. Arrest after arrest was made, but in the majority of the cases only the smaller agents could be convicted. For instance, the drug is purchased by the pound—it sells for \$80 a pound by wholesale—and is brought here by some negro who represents white men. This leading negro sells the cocaine in portions to his agents, who in turn have agents. By the time the dope gots to the user it has been adulterated four or five times. It requires a greater quantity then to affect the person using it. Very often negroes are arrested with several small packages on their person. They are always convicted and fined \$100. It is seldem that they reveal the arme of the man who sells them the drug.

the name of the man who sells them the drug.

Therefore, when Lacy was captured the police believed they had one of the principals. The effort being made to keep witnesses against him from testifying in court strengthens this belief. Lacy will have a trial Saturday if

the witnesses are here. If not here, the case will be continued against, and both Lacy and Giles will remain in tall

Back to the rear of the home of Paul Blue, to the rear of the home of Paul Blue, which is just exactly twenty feet inside the annexed territory, the hogs will remain. Mr. Blue was in Police Court yesterday morning in answer to a summons which inquired into the wherefore of the habitat of the hogs. "What are you going to do about it?" queried the One John, after he had examined the map and read the ordinance prohibiting hogs from running about in the city.

"Make them hogs play in the back-yard."
